## SUMMARY

Entry-level web developer with 1 year of experience in HTML5, CSS and JavaScript. Proven ability to create reusable code for a web application. Passionate about technology and building scalable web solutions.

## EXPERIENCE

### Web developer intern

June 2023 - November 2023

- **Softrays IT** | Aliu Estate Shopping Complex, After Sanrab Filling Station, Tanke Rd, Ilorin
  - Implement and build web application using bootstrap, Html, CSS and JavaScript to enhance user experience with interactive interface
  - learn and implement the fundamental of Good user interface design.

### Web design intern

February 2022 - June 2022

- **Obatech Computer Training School** | Ahmadu Bello Way, Ilorin, Kwara
  - Developed interactive user interface using HTML, CSS and JavaScript. Making the website contents load dynamically.

## PROJECTS

### The Book Library

November 2023 - November 2023

- **Softrays IT** | <https://github.com/Freedteck/Library>
  - The Book Library was built purely using HTML CSS and JavaScript. The entire app logic was a success while implementing JavaScript factory functions and modular programming.

### To-do list

November 2023 - November 2023

- **Softrays IT** | <https://github.com/Freedteck/ToDo-List>
  - Developed a Todo list application using HTML, CSS and JavaScript, make the application well organized using webpack and incorporated interactive features including delete Todo, add to project, mark as complete e.t.c.
  - make the app use local storage to save user Todos

### Admin dashboard

October 2023 - October 2023

- **Softrays IT** | <https://github.com/Freedteck/Admin-dashboard>
  - built an admin dashboard using HTML and CSS. This project was part of the projects done while using CSS grid
